Summary

Creative and user-centered UI/UX Designer with a background in linguistics and a passion for digital design. Experienced in designing websites, apps, and interactive learning tools with a focus on usability and accessibility. Adept in user research, wireframing, prototyping, and responsive design. Proven ability to collaborate across teams and deliver meaningful, aesthetically pleasing digital experiences.

Experience

SOCIAL MEDIA DESIGNER, 01/2019 - 12/2020

Joie Clinic, Tehran, Iran

- Designed event, course, and workshop posters for Instagram stories and posts, improving visual communication and engagement.
- Collaborated on enhancements to the clinic's website, focusing on usability and content structure.

PROFESSOR ASSISTANT AND RESEARCHER (FREELANCER), 04/2016 - 10/2019

Farhikhtegan Publication, Tehran

- Led a team of editors in reviewing, revising, and refining book manuscripts, maintaining consistency in style, tone, and quality.
- Collaborated with the professor in researching, curating, and developing educational materials for book content, ensuring alignment with academic standards and objectives.
- Designed supplementary materials and visual aids to complement the core content of the books.

ENGLISH EXPERT AND MATERIAL DEVELOPER, 01/2013 - 01/2015

National Iranian Oil Company, Tehran, Iran

- Created seasonal digital magazines and visually engaging posters for educational promotions.
- Designed and edited digital audio materials to improve language learning experience.
- Applied design thinking and user-centered design principles to language-learning content.
